MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) Dated 19th February, 2024

Between

UNITED SOFT TECH, having its office at Annapuram, Junction Main Road, Five Roads, Salem-636004, (hereinafter referred as "UNITED SOFT TECH" for the sake of brevity) and represented by its Centre Head, Dr. A. S. Matheswaran (which expression shall mean and include its successors in office and assigns)

And

Shreenivasa Engineering College, (here in after referred as College for the sake of brevity), an Engineering College recognized by AICTE and Affiliated to Anna University having its campus at B. Pallipatti, Bommidi, Pappireddipatti, Dharmapuri DT, Tamil Nadu and represented by its PRINCIPAL(which expression shall mean and include its successors in office and assigns)

For UNITED SOFT TECH_____For SHREENIVASA ENGINEERING COLLEGE

Authorized signatory **Authorized signatory**

OBJECTIVES OF THE COLLABORATION:

1. To provide employable skills to the student during their course at the college.
2. Make the student aware of the latest tools and techniques at an affordable fee in order to keep them industry ready at the end of their course.
3. Maximize placement opportunities for students from all the courses.
4. To build the confidence level of the student to face the challenges of the realtime.

This Memorandum of Understanding is to conduct a Unique, Step-By-Step, Systematic and Employable Skills Development Program for the students of the college towards achieving the objective of maximizing the employable opportunities for students of the college.

This Memorandum of Understanding states the terms and conditions under which the Trainings shall be conducted by UNITED SOFT TECH at the college premises and list share in the respective responsibilities of both parties.

PREAMBLE:

For a student to be recruited by good company, over and above the subject knowledge, he/she is expected to have the following:

1. Strong Fundamental Engineering Knowledge
2. Engineering related Multiple Technical Skills-Develop skills that add value.
3. Project Management & Operational Excellence-Learn & Acquire the skills.
4. Communication & other soft skills.

While Subject Knowledge would be provided by the college, UNITED SOFT TECH will equip the students with required industry specific technical, project management and people skills.

On one hand, thousand so fun employed Engineering graduates are not finding suitable jobs, while on the other hand, Industry requires millions of young minds at all levels but are unable to finding the right candidates .This is because of the skill gap that exists between academic institutions and industry requirement. This skill gap is ought to be minimized for the student so **Shreenivasa Engineering College** by facilitating them to acquire the appropriate and relevant skills at the college itself.

Through this collaboration, UNITED SOFT TECH will prepare the students of **Shreenivasa Engineering College** to be ready for industry by the time they enter the final semester and facilitate many of them to secure dream jobs. For this the students have to benurtured and trained in different areas from the very beginning. Keeping in mind the academic program and the progressive skill development cycle in mind, the programs are spread across their semesters.

UNITED SOFT TECH Shall Provide

1. Comprehensive UNITED SOFT TECH reference books to all students for each course as part of the course.
2. The required trainers for the course and the training program would be instructor led.
3. Periodical assessment of the progress of students for their further improvements.
4. The 'Certificate of Completion' to every student who successfully completes the training program every semester.
5. The UNITED SOFT TECH student bag with the required stationaries.
6. "Certificate of Association" from UNITED SOFT TECH.
7. A "link to the college website" from our website www.unitedcadd.com
8. Provide permission to use UNITED SOFT TECH logo as the Skill Development Partner.
9. Assist the college inorganizing campus and off-campus interviews for the final year students on completing course with them.
10. Welcome **Shreenivasa Engineering College** to use UNITED SOFT TECH strategically based on the need.
11. The training will be conducted by UNITED SOFT TECH at Salem.

In the event of any deviation from the profile of the trainers or UNITED SOFT TECH notbeing able to cover the syllabus in the schedule time provided by **Shreenivasa Engineering College**, then proportionate education shall be made by **Shreenivasa Engineering College. However,** all devours shall be made to ensure the highest quality of the course materials supplied, classes undertaken, training done etc by **UNITED SOFT TECH.**

The College Shall Provide

1. The required number of computers systems in the lab and other required infrastructure for the practice.
2. The class rooms with LCD projector for the theory classes.
3. The schedule with the classes for this training during the weekdays of the college.
4. The supports to ensure, all students who have signed up for the class, attend the training programs scheduled for them.
5. The required software on their systems.
6. Disciplinary support for the smooth conduct and timely completion of the entire course.
7. Minimum 80 Hours of training.
8. Minimum 60 students per batch.

PARTICIPANTS:

The participants would be the **Shreenivasa Engineering College** Students for all the branches of the 2nd year to final year students.

COURSE CONTENTS:

UNITED SOFT TECH in consultation with the college shall finalize the course contents for the skills development program. The same is provided in the Annexure-1. These will be reviewed every year and suitable changes, if required, will be incorporated. As the requirement of each course is different, course contents have been worked out separately for each branch.

TIME SCHEDULE

The programs will be conducted during the college days and weekends. The students will bedivided into batches, depending on the total strength.

LINK OFFICER

The Principal of **Shreenivasa Engineering College** shall appoint a link Officer from each department for the duration of the program, who shall liaise with UNITED SOFT TECH and make the training process learner-friendly and effective. UNITED SOFT TECH shallwork in close relationship with the link Officer, who in-turn shall keep a close touch with the students. In the event of any difference of opinion between UNITED SOFT TECH and the link Officer, the matter should be referred to the Principal of the College, whose decision there on shall be final and binding on both the parties.

JURISDICTION

Shreenivasa Engineering College shall have the option either cancels this agreement with no liability occurring to UNITED SOFT TECH.

VALIDITY

This Memorandum of Understanding will be valid for a period of 3 years.

This Memorandum of Understanding shall come into effect from **19.02.2024 to 01.08.2026**.
