Preamble

This Memorandum of Understanding (MoU) is entered into on this 10.01.2025 by and between Shreenivasa Engineering College, located at B.Pallipatti, Bommidi, Pappireddipatti (Tk), Dharmapuri – 635 301 and Vsphere Technologies, located at BKPR Complex, Rajiv Gandhi Nagar, Bommanahalli, Bengaluru, Karnataka 560068. The purpose of this MoU is to establish a collaborative framework for training and internship programs that mutually benefit the College and Vsphere Technologies.

Objective

The primary objective of this MoU is to facilitate collaboration between the College and the Company to:

1. Enhance the skillset of students through practical training and internships.
2. Bridge the gap between academic knowledge and industry practices.
3. Provide students with exposure to real-world work environments.

Scope of Collaboration

Both parties agree to collaborate in the following areas:

1. Internship Opportunities:
- The Company shall offer internships to students from the College in relevant fields.
- The duration, nature, and terms of the internship shall be mutually decided.

2. Training Programs:
- The Company shall conduct training sessions, workshops, or seminars for the students.
- The College shall provide the required infrastructure, such as classrooms or labs, for the sessions.

3. Project Guidance:
- The Company may provide mentorship for student projects aligned with industry trends.

4. Faculty Development:
- The Company may organize training programs for faculty members to update them with current industry practices.

5. Placement Assistance:
- The Company may extend placement opportunities to eligible students upon successful completion of their training or internship.

Responsibilities of the College

1. Identify and nominate eligible students for training and internship programs.
2. Ensure students adhere to the Company's policies and guidelines during the internship.
3. Facilitate coordination between the Company and students.

4. Provide necessary administrative and logistical support for training programs.

Responsibilities of the Company

1. Offer quality training and internship programs to students.
2. Provide students with a safe and conducive learning environment.
3. Share feedback on the students' performance during the internship.
4. Issue certificates to students upon successful completion of the internship or training program.

Financial Terms

This collaboration is non-commercial. Any financial arrangements, including payments for specific training or other services requested by the college, shall be agreed upon separately and documented in writing by both parties.

Confidentiality

Both parties agree to maintain confidentiality of proprietary information shared during the course of this collaboration.

Duration and Termination

1. This MoU shall be effective from the date of signing and remain valid for 5 years.
2. Either party may terminate this MoU by providing a written notice of 60 days.

Dispute Resolution

Any disputes arising out of this MoU shall be resolved amicably through mutual discussions.

Miscellaneous

1. This MoU does not create any binding legal obligations on either party beyond the terms mentioned herein.
2. Any modifications to this MoU shall be made in writing and signed by both parties.
